PETITION UNDER 37 CFR 1.81

Commissioner for Patents & Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants petition that its submission of a Response to the Notification of Missing Requirements mailed by the U.S. Patent & Trademark Office on February 5, 2007, be accepted as timely filed.

On February 22, 2007, Applicants submitted a Response to the Notification of Missing Requirements letter, however on the cover sheet of the submission the serial number for this application was improperly identified as 10/585,592 rather than the correct serial number of **10/583,592**. Included with the submission, however, was a copy of the Notification of Missing Requirements document from the U.S. Patent & Trademark Office identifying the correct serial number as well as a signed Declaration having the correct serial number. The submitted cover sheet submitted did have the correct Confirmation No. 6746.

The submission included the cover sheet, a signed Declaration and the copy of U.S.P.T.O. Form PCT/DO/EO/905 (copies attached).

A postcard was enclosed with the submission and that postcard was stamped received by the U.S. Patent & Trademark Office on February 26, 2007 as per the enclosed copy.

Applicants are submitting with this Petition a revised cover sheet showing the correct serial number, another copy of the Declaration and Power of Attorney which had and still has the correct serial number as well as another copy of the U.S. Patent & Trademark Office notification form.

Applicants respectfully request that this revised submission be substituted for the original submission mailed by Applicants in a timely manner on February 22, 2007 in a timely manner and Applicants respectfully request that the present submission be accorded a timely response date, without the requirement for any extension of time fees. However, if an extension of time is required, Applicants' Petition for such extension and authorize the Commissioner to charge any extension of time fees, Petition fees, or any additional fees which may be required for this application under 37 CFR 1.16-1.17 to Deposit Account 07-2069. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
